

# PASCO Soccer Club 2018 Futsal Tournaments and Turf League

PASCO Soccer Club and PS2 Sports Facility will be hosting a variety of futsal leagues and tournaments throughout the winter. Boys and girls teams of every age group will have the chance to play in the fast paced environment of futsal tournaments and 4v4 turf league. Keep your teams in shape and game ready by taking part in our competitive events. US Soccer actively pushes kids to learn through futsal because it improves players decision making skills, provides players with more touches on the ball, the heavier ball increases the power of players, it develops the confidence in players to go 1v1 against their opponent, it allows players to be creative in getting around their opposition, and it improves reaction time.
