

PASCO JOINS THE UNITED PREMIER SOCCER LEAGUE!

PASCO Soccer Club is excited to announce the formation of its new Adult Program. With over 25+ years of experience in serving youth soccer in Northern New Jersey, PASCO will now offer amateur level adult teams on both the Men's and Women's side. By expanding into this area, the Club will now extend their pathway for players from ages 3 years old to now past college.

In our first year of action, we plan to onboard 2 Men's and 1 Women's team into the club. Our 1

- Men's
 - 1st Division: to compete in Division 1 of the United Premier Soccer League ([UPSL](#))
 - 2nd Division: to compete in local adult league
- Women's
 - 1st Division: to compete in in local adult league

From Club President Dave Vivino: "This is an exciting time for our Club. As we expand the number of youth teams for boys and girls and provide them a path from our Kiddie Kickers program thru college, we will now give players an opportunity to play beyond. Being part of a league like the UPSL, is a great honor as they continue to expand and provide a competitive environment. Having these teams will also be a great example for our younger players to look up to and see how far they can go. Game days will be great fun for younger players in the immediate area to experience high level soccer; they can be ball boys & girls, walk out onto the field with the team, while creating great memories."

About UPSL: The UPSL was formed in 2011 and currently includes more than 325 teams nationwide. The UPSL is the largest Pro Development League in North America. Each UPSL team is individually owned and operated.

UPSL teams are eligible to participate in the U.S. Open Cup Qualifying Rounds through the league's affiliation with the U.S. Soccer Federation (USFS) and the United States Adult Soccer Association (USASA).

More information about UPSL can be found at www.upsoccer.com or by following the league on Facebook (www.facebook.com/upsoccer), Instagram (@upsoccer) and Twitter (@upsoccer).
